1.0 Purpose

The Study Visit forms part of *WP1: Design and development of the Regional University Innovation Platform (UIP) at five WBC, Deliverable 1.1 Consolidated Report on EU good practice.*

The aims of WP1 are:

- Provide benchmarks from EU practice
- Map university research/innovation potential
- Define priorities and directions for modernization of universities to overcome shortcomings due to fragmentation of research and overlapping activities of existing structures
- Boost transformation of research into innovation
- Encourage students and young researchers to start their own innovative business.

The participants of the Study Visit will be introduced to the technology transfer and innovation support services offered by the University of Alicante, in particular:

- Technology Transfer Office. Introduction to its activities, services and results achieved. Working Sessions with professionals of different areas
- Intellectual Property Service/Unit
- Enterprise Europe Network, Regional Contact Point
- Science Park
