1.0 Purpose

The Study Visit forms part of *WP1: Design and development of the Regional University Innovation Platform (UIP) at five WBC, Deliverable 1.1 Consolidated Report on EU good practice.*

The aims of WP1 are:

- Provide benchmarks from EU practice
- Map university research/innovation potential
- Define priorities and directions for modernization of universities to overcome shortcomings due to fragmentation of research and overlapping activities of existing structures
- Boost transformation of research into innovation
- Encourage students and young researchers to start their own innovative business.

The participants of the Study Visit will be introduced to the following services and institutions in Vienna:

- Research and Transfer Support at the Vienna University of Technology
- Technology transfer agency of the University of Vienna
- Research Services and Career Development at the University of Vienna
- Center for Doctoral Studies, University of Vienna
- NCP/Federal Ministry of Science and Research – NCP for IP (National contact point for intellectual property rights)
- Centre for Social Innovation
