Event Date:	15.12.2015
Event Venue:	University of Banja Luka, Bulevar vojvode Petra Bojovića 1A, Rectorate – presentation room
Type of event: (National, international, press conference, promotional event etc.)	promotional event
<b>Short description:</b>	
<p>The University of Banja Luka organized the Second WBCInno Infoday on 15th of December 2015. The main propose of the second Infoday was to promote the WBCInno project, its activities and achieved results, and to promote the Catalogue on research and innovation potential of the University of Banja Luka.</p> <p>Prof. dr Petar Maric, coordinator of the WBCInno at the University of Banja Luka, presented the WBCInno project and said that the project is focused on transfer of knowledge, research and innovation, and its aim of making available research results to the business community. Prof. Maric stated that 5 BSO offices developed, maintain and promote 5 on line Catalogues on research and innovation potential of the WBC universities. Beside the Univeristy of Banja Luka, the Catalogue was developed by the University of Kragujevac, University of Novi Sad, University of Zenica, and University of Montenegro.</p> <p>Later on, the participants were greeted by prof. dr Milan Mataruga, vice-rector for science and research work and development of the Univeristy of Banja Luka. Prof. Mataruga stated that the participation in the WBCInno project and mapping available equipment for science and research at the University, is just one of the activities of the University in the previous period with the aim of development, improvement and promotion of science and research work and innovation. The University was awarded with HR excellence in research logo. Also, the University adopted Rules in accordance with the EC directives, improved publishing activities at the University, organized several info days about Horizon 2020, transfer of knowledge and technologies etc.</p> <p>Prof. dr Tatjana Pesic-Brdjanin presented the activities that University of Banja Luka realized within the project and the Catalogue on research and innovation potential of the University of Banja Luka. Also, prof. Pesic-Brdjanin explained the process and activities which led to the development of the software platform for innovation management, organisation of competition for best student ideas. At the end of the Infoday, Milena Ljubcic, project manager at the University entrepreneurship centre, presented the on-going and planned activities of the centre.</p>

## 4. EVENT EVALUATION BY PARTICIPANTS

### 4.1. Summary of the Participant Feedback Form

*Results to be filled by organisers based on the questionnaire results. Please note: insert only the overall percentage of all feedback forms received (e.g. participants total number=30; 15 of them were most satisfied and 15 of them satisfied – please include 50% in the column most satisfied and 50% in the column satisfied.)*

	Most satisfied	Satisfied	Moderately satisfied	Rather dissatisfied	Not at all satisfied
The event administration					
The structure of the programme					
The venue and facilities					
The presentations					
The discussions					

	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
The information I got will be of immediate use to me.					
This event covered to a very high extent the topics I have expected.					
I enjoyed the cooperation and interaction with the other participants.					
My expectations about this event were met or exceeded.					
The materials distributed are useful and informative.					
The discussions were relevant for the participants.					
The methods of working were suitable for the topics and for the participants.					
The overall organisation was professional.					
The time management was always to my fullest satisfaction.					
The style and level of communication between organisers and participants was professional.					
I would recommend this kind of event to my colleagues.
